Revelation Part 1: Jesus' Message to the church. The Book of Revelation is one that stirs within us a sense of awe and mystery. Many of us avoid studying it because we think we will be unable to understand the wonderful truths contained in this precious writing. But there is a promise of blessing to those who read, hear and heed the things written in this prophecy (Rev 1:3) Come join us in this 11-week study and experience the blessing! In the first 3 chapters we will be able to see how God's messages written so long ago still speak to the church today. Workbooks will be available through The Word Store .

Discerning the Voice of God by Priscilla Shirer. According to Shirer "Recognizing God's voice is not just a privilege given to a select few. It is the right of every believer." By studying the Word of God and heightening our spiritual senses to hear the still small voice of God, women may indeed recognize the promptings of the Holy Spirit. From the Old Testament prophets to modern day believers, Shirer walks through Scripture that captures the method and tone of God's communication and teaches to beware of counterfeit voices. How we each encounter God's voice may differ, but the nature of it does
